

St. Luke's
Children's
Liturgy
Program

Open to all children,
Saturday 5:00pm
Sunday 9:00am
Sunday 12:30pm

In French Sunday 10:45am

Children's liturgy was created for the active minds and bodies of our children as a means of facilitating their understanding and enjoyment of God and His Church.

All children from age 3 to 12 are welcome and may join at any time throughout the year.

Our animators will help the children celebrate the Liturgy of the Word through:

- Prayer
- Reading of the simplified Gospel
- Discussion
- Activity, project, game, skit or songs

At the beginning of the mass, all the children are called forward and led out to an assigned room. They return during the offertory song. Our program is animated by the teens and young adults of the parish.

Our program will begin at the end of September and end on Father's Day

Families do not have to register their child - but simply encourage them to attend. There is no registration fee.

Donations of craft supplies (markers, pencils, scissors, glue sticks, scotch tape and construction paper are always appreciated.) Volunteer help (animators, mass coordinators, filing) is also needed.

Please take note that we expect all children registered in a sacramental preparation year to attend regularly.
