Le Père Gilles remercie les marguilliers pour leurs efforts de révisions des obligations financières de la paroisse, pour avoir présenté la situation financière aux paroissiens lors des messes de la fin de semaine et à la réunion spéciale des paroissiens, à avoir pris des mesures pour réduire les dépenses et de faire avancer la paroisse dans une direction positive.

C'est maintenant à vous les paroissiens de démontrer votre appui en donnant de façon plus régulière à la quête, en augmentant vos contributions si vous ne l'avez pas déjà fait ou si vous réalisez que vous pourriez plus clairement exprimer la valeur que représente votre église pour vous par des contributions hebdomadaires plus importantes, et finalement en vous assurant que vos contributions nous parviennent lorsque vous êtes absents, soit en contribuant d'avance ou à votre retour en rattrapant les montants manquant.

Malheureusement les réparations à la maçonnerie extérieure ne peuvent plus attendre et à la réunion des paroissiens une résolution d'emprunter 100,000 \$ du Diocèse à un taux d'intérêt de 3.75% pour cinq ans fut approuvée.

Les marguilliers sont à créer un sous-comité pour une levée de fonds. Le comité sera composé par un marguillier, des paroissiens et nos adolescents et nous demandons aux paroissiens d'offrir leurs services en siégeant sur ce comité et d'amener des idées pour la levée de fonds.

Father Gilles congratulates and thanks the Wardens for their efforts in overseeing the financial obligations of the parish, for having presented the financial position to the parishioners at the weekend Masses and at the special parishioners' meeting, in taking measures to reduce expenses and to move the parish forward in a positive manner.

It is now up to you the parishioners to give your support by making your Sunday offerings more regular, by increasing them if you have not done so in a while, or if you realize that you could more clearly express the value your church has for you with a more substantial weekly offering, and finally, by providing for your ongoing contributions when you are absent by making an offering in advance, or catch up the missing Sundays.

Unfortunately, repairs to the outside stonework can no longer be delayed and at the parishioners' meeting, the resolution to borrow up to \$100,000 from the Diocese at an interest rate of 3.75% for five years was approved.

The Wardens are forming a sub-committee for fund raising and this Committee will be represented by a Warden, parishioners and older youth parishioners and we ask you to offer your services on this committee so we may get as many fund-raising ideas as we can.
